Bali, Indonesia

Guidepost Montessori *AYANA* Bali

guidepost bali adventure 2024

Guidepost Montessori AYANA Bali

The very first destination school for young children.

Guidepost at AYANA Bali, Indonesia, features high-fidelity Montessori programming and offers a unique learning experience to children ages three to six years.

Situated within the AYANA Bali and embraced by nature, this destination school offers both holiday programming for short-term guests as well as a Montessori extended program for families staying long-term.

We're thrilled to announce that Guidepost AYANA Bali is now open for our holiday programming in December and January. We look forward to creating more memorable learning experiences for children.

Bali Adventure Program Highlights

Our Program

Young children will be busy on experiencing a rich array of blended activities that scaffold their minds, challenge their bodies, and delight their souls.

We will explore inspiring features of the AYANA Bali, offering enrolled children a glimpse of the diverse landscape and culture that makes this world sparkle!

At the end of each week, a family off-site learning activity is scheduled – a shared gift of memories to families that they take home when they leave.

Program Highlights

- ✓ **Montessori at Heart**
 - . high-fidelity programming
 - . beautiful prepared environment
- ✓ **Dual Language Program**
 - . English and Mandarin
 - . daily language activities
- ✓ **Natural Learning Environment**
 - . indoor-outdoor classroom setting
 - . daily engagement with nature
- ✓ **Shared Experience**
 - . weekly parent-child experience
 - . showcasing unique features of AYANA Bali

guidepost bali adventure 2024

Guidepost AYANA Bali

AYANA Farm, Jl. Karang Mas, Jimbaran, South Kuta, Badung Regency, Bali 80361, Indonesia

Program Offerings

- ⚙️ 3 weeks | Dec 16 2024 - Jan 3 2025
- ⚙️ 4 days option: Monday to Friday + Friday (afternoon) memorable moments (optional)
- ⚙️ 2 days option: between Monday to Friday + Friday (afternoon) memorable moments (optional)
- ⚙️ Half Days | 8:30 AM – 1 PM (lunch included)
- ⚙️ Open to children from 3 to 6 years

Week 1 (Dec 16 - 19)

2 or 4-day options + optional memorable moments

Cultural Connection

Join us as we dive into the vibrant world of Indonesian culture, where colors, flavors, and traditions come alive. Our program is designed to intentionally inspire curiosity and appreciation of others. We will use the liveliest, most engaging activities to introduce children to traditional Indonesian culture.

Your child's imagination will soar, their hearts will dance, and their cultural horizons will expand. Let them embark on a journey filled with the wonders of Indonesia, make new friends, and create lasting memories filled with joy and discovery.

Week 2 (Dec 23, 24, 27)

2 or 3-day option + optional memorable moments

Nurtured by Nature

This session is inspired by the Indonesian concept of *Kembali*. It means to return to nature – and through it to our whole selves.

A week-long camp designed to connect young children with nature through immersive time spent outdoors. Children explore nature crafting while developing an understanding how to they can actively contribute to the preservation of nature through active, conscious care. Join us for an unforgettable week where campers will be nurtured by the beauty of Bali's nature, develop a sense of wonder, and create lasting memories while forging a lifelong connection with the environment.

Week 3 (Dec 30, 31, Jan 2, 3)

2 or 3-day option + optional memorable moments

Farm to Table

Join us for a week-long camp in Bali that offers a unique and immersive experience focused on sustainable agriculture, culinary exploration, and farm-to-table practices.

Children will discover the art of farming and learn simple Javanese cooking techniques while exploring the lush AYANA Farm, a vibrant patchwork of fruit trees, vegetable plots, and edible flowers.

Evergreen Extravaganza @ AIP

For children from 6 – 12 years

Embark on a thrilling journey this winter at the Academy of Innovation Primary School's Winter Camp, where adventure meets creativity! Our diverse programs are designed to spark curiosity and inspire young learners through hands-on experiences in nature, art, technology, and science. From exploring the beauty of Victoria Park to engaging in artistic endeavors through art jamming, students will uncover the wonders of the world around them while participating in activities that promote exploration and self-expression.

In addition to fostering academic skills, our Winter Camp emphasizes the importance of practical life experiences. Children will delve into healthy cooking, discover the joys of gardening, and from creating to editing their own short films, all while developing essential and relevant skills for the future. With a well-structured schedule that balances guided activities and free play, our camp promises a memorable winter filled with discovery, creativity, and fun. Join us as we inspire the next generation of innovators and thinkers!

Evergreen Extravaganza @ AIP

For children from 6 – 12 years

Class schedule & fees

December 23, 24, 27, 30, 31, 2024 and January 2-3, 2025 (daily enrollment)

9:00 AM – 3:00 PM daily

HKD 900 per day

Day 1 - The Classroom Outside: Connecting with Nature

Children connect with nature at Victoria Park with a Montessori-inspired botany lesson using materials from our botany cabinets to learn about plant parts, create their own botany portfolio, followed by a nature scavenger hunt to collect leaves, rocks, and flowers. Children then learn about the plants in Hong Kong, fostering indepth knowledge and a love for our environment.

Day 2 - Culinary Arts: The Iron Chefs (Jr.) to be

From planning the menu, choosing food items, purchasing ingredients to execution of cooking; children explore the concept of food in a hollistic angle, a well rounded course designed to provide children an in-depth undestand of something as common as food, to appreciaie the beauty and purpose of culinary arts.

Day 3 - Spectrum of Light: An Artistic Workshop

Children explore the history of art inspriations utilizing the element of light. Montessori math patternings are introduced towards the contribution of arts expression. Children create their own mosaic lights and kaleidoscopes based on these patterns, resulting in unique art pieces to take home.

Day 4 - Director's Cut: Your Own Documentary

Children learn to create and edit their very own short movie using modern technology. The idea behind this is to allow children to be innovative towards a modern task, sparking inspirations from various media outlets.

Day 5 - The AIP Gallery: Timeless Art Creation

Children explore self-expression through engaging and learning about the styles from different artists. They begin with Montessori color activities to learn color theory and blending, followed by discussions on art history. Each child then creates artwork inspired by these artists, experimenting with various media — painting, drawing, and collage — to emphasize personal expression and creativity.

Day 6 - The Discovery Channel: Within the Concrete Jungle

Children engage in on a macro level about various types of animals, ecosystems, and their habitats including surrounding plantations in Asia. Students will learn to classify both animals and plants into their respective kingdom. The day culminates in a field trip to the Hong Kong Botanical Gardens, where children can observe and appreciate the plants and animals in their natural environment.

Day 7 - Garden of Innovation: The Essence of Agriculture

Children learn about agriculture and its environmental impacts. They engage in hands-on planting activities, taking home pre-planted plants to nurture while also sowing new seeds in the garden. This experience fosters a deeper understanding of sustainability and the growth process.

Terms & Conditions

Below is a look at our general terms & conditions. However, for overseas enrollments, additional terms & conditions may apply and will be shared during the application process.

- [Admissions](#): Enrollment spots are limited. Enrollment selections will be made based on the sequence of applications received, as well as priority for existing enrolled families. After submitting this form and included payment, you'll receive an email confirming your child's enrollment in this program.
- [Class Schedule and Age Groups](#): Guidepost reserves the right to change and/or amend the class schedule and age groups as deemed necessary.
- [Incident Weather Policy](#): Weather policies vary by region. Please refer to the final terms & conditions outlined on the application form for the region you are applying to.
- [No Tuition Refunds](#): Guidepost has a strict no refund policy. Tuition and/or classes cannot be postponed in time or transferred towards another student.
- [No Make-up Classes](#): Given the limited time during the holiday periods, we are not able to offer make-up classes in any circumstance.
- [Accompanied Classes](#): Only one parent is permitted inside the classroom. Absolutely no swapping can take place throughout the class. Accompanied classes are only offered to Hong Kong based families and require a minimum two week commitment.
- [Travel Insurance](#): Families who opt for a program in a different region may be asked to display proof of valid travel insurance prior to their child's first class.
- [Non-Discrimination Policy](#): Guidepost does not discriminate on the basis of race, sex, national origin, disability, religion, or any other protected status. We make our best effort to accommodate the needs of every child who wishes to attend Guidepost. In the event that your child does have a disability or suspected disability, we will do a fully individualized assessment of your child in order to determine whether Guidepost possesses the necessary expertise and resources to provide for the best interests of your child, or, alternatively, whether the child may pose a health or safety threat to him/herself or others in our environment, or require a fundamental alteration of our program.
